

HOW WE'RE RELATED

We are all related, as the Native Americans remind us. And they count animals, birds, trees and stones as their relatives too. For the purposes of this list, the relatives we are considering are:

- 1) The five sons of George, the immigrant, who did leave progeny: Henry, George, Charles, Alfred and Josiah. None of the George Standing line have said they will be at this year's reunion. The names of descendants of the other four brothers are prefaced by **H, C, A, or J**.
 - 2) George the immigrant's father John's progeny by his second wife, Hannah Watkins. These names are prefaced by **J/H**. John is numbered (0)--he was the generation before George (1)
 - 3) Progeny of the brother of Martha Cheal, George the immigrant's mother. This name is prefaced by **M**. Martha is numbered (0)--she was the generation before George (1)
 - 4) The family of Kenneth Bricker. Osa Osborn Bricker was stepmother to Kenneth's boys. These names are prefaced by **B**
